**BUILD A SQUAD.
BUILD A LEGACY.
ALWAYS BUILDING.**

SPALDING

ALWAYS BUILDING.

NO MATTER WHERE YOU ARE ON THE JOURNEY,
THERE IS ALWAYS BUILDING TO BE DONE.

WE CAN BUILD AS A COMMUNITY. WE CAN BUILD AS A TEAM.
BUT IT ALL BEGINS WITH OURSELVES - IDENTIFYING A WEAKNESS
WITHIN AND BUILDING TIRELESSLY TO IMPROVE IT.

FROM NEIGHBORHOOD DRIVEWAYS TO GLOBAL STAGES.

BUILD YOUR GAME.
BUILD A CULTURE. BUILD A LEGACY.
HELP OTHERS BUILD.
BUILD A COURT, BUILD A CLUB.
BUILD YOUR CITY. BUILD YOUR COUNTRY.
PICK UP A BALL AND GET TO WORK.

SPALDING ALWAYS BUILDING.

BALL CONSTRUCTION

1. COVER

The cover material provides superior grip and soft feel while maintaining our rigorous standards for material strength and abrasion resistance.

2. CARCASS

The carcass provides structure, shape and protection for the inner components.

3. WINDINGS

Windings add structural integrity and durability to the construction of the ball.

4. BLADDER

The high-end bladder maintains the ball's air pressure for proper inflation and extended air retention.

LAMINATED

Laminated construction uses leather or composite panels. These panels are fixed onto a rubber carcass by hand in order to provide athletes with the highest quality basketballs available. The versatility of this ball construction gives players the ability to take their game to the next level.

⚡ **Target: Competitive Play**

MOLDED

Molded construction is used on outdoor basketballs and provides increased design capabilities and a wide range of available color and graphic options.

⚡ **Target: Recreational Play**

ICONS

An indoor ball is designed exclusively for indoor playing surfaces. These balls are constructed with leather or high-end composite covers.

Colored rubber with a unique color mixing technique that makes each ball different from the next.

Outdoor basketballs have a durable cover that can withstand rougher playing surfaces.

Ability to add custom laser engraving decoration to specified styles.

Indoor/outdoor basketballs are suitable for all types of playing surfaces.

Ability to add custom digital print multi-color decoration to specified styles.

Balls approved by the National Federation of High School Associations.

When we developed the first ball in 1894, we didn't follow the competition, we set the standard. We didn't just create the ball, we built a reputation, a legacy. We don't forget where we started, but we plan for the future. We never stop innovating; never stop searching for opportunities to improve, always adapting to meet the changing needs of the player and the game.

For every W and every L, the ball is the constant—something you can always rely on. It holds dreams to something better, an opportunity to escape reality, and it unlocks potential on any stage.

No matter the stakes, time, or place, we play our best with TF™.

TF™ MODEL M™

LEATHER GAME BALL

The ball the pros play with? Yeah, this is the one.

When we developed the first basketball in 1894, we didn't follow the competition - we set the standard. Over 125 years later, we continue to evolve and innovate alongside the game we've grown with since day one.

Built for a game that champions originality and history equally, the Spalding TF™ Model M™ is constructed from genuine Horween leather - made exclusively for the hardwood. The grip turns butter-soft the more it's used so it can bounce, cross, float, and spin in the hands of the legends who hoop with it.

Bring out the pro in you with the Spalding TF™ Model M™.

KEY FEATURES:

- SUPERIOR GRIP: The Model M™ is wrapped in full-grain, premium leather that softens for superior handling the more it's broken in
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy

- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention, and nylon windings provide excellent structural integrity

LEGACY TF1000™

OFFICIAL GAME BALL

Built for the most clutch moments, the Spalding LEGACY TF1000™ has no equal. It's NFHS approved and used by some of the top college and high school programs in the country.

From crossovers to pulling up from the logo, the LEGACY TF1000 basketball's moisture management capabilities create a dry surface for ultimate ball control. The wet grip microfiber composite cover has a game-ready feel right out of the box, and provides an elite moisture-wicking surface so the ball plays at the same high level from tip off to crunch time.

Lift your game to new heights with the best-in-class LEGACY TF1000™.

KEY FEATURES:

- BUILT DIFFERENT: Wet grip microfiber composite cover moisture management system wicks away sweat to maintain superior handles
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention and nylon windings provide excellent structural integrity
- RECOMMENDED FOR INDOOR PLAY ONLY: Built for hardwood hooping

PRECISION TF1000™

OFFICIAL GAME BALL

Got game? We got the ball.

Designed to stay at peak performance season after season, the PRECISION TF1000™ provides best-in-class grip for the elite-level players that hoop with it.

The dry grip microfiber cushioned cover gives it a soft game-ready feel right out of the box. It's the light color that makes the PRECISION TF1000™ stand out, but it's the exceptional control that will make it your favorite ball.

From tip off to buzzer, the game is in your hands with the PRECISION TF1000™.

KEY FEATURES:

- BUILT DIFFERENT: Dry grip microfiber composite cushioned cover creates exceptional grip and control
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention, and nylon windings provide excellent structural integrity

TF TRANSCEND™

OFFICIAL GAME BALL

Experience the pinnacle of basketball performance with the Spalding TF Transcend.

Engineered for players who demand excellence, this basketball features a Dry Grip microfiber composite cushioned cover that ensures exceptional grip and control, even during the most intense games.

The innovative Spalding's Shooter Seam™ allows for instant ball recognition and precise accuracy, giving you the shooter's touch you need to dominate the court. With a rotationally balanced butyl bladder for ultimate air retention and nylon windings for superior structural integrity, the TF Transcend is built to elevate your game to new heights.

KEY FEATURES:

- BUILT DIFFERENT: Dry grip microfiber composite cushioned cover creates exceptional grip and control
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ELITE PERFORMANCE: Rotationally balanced butyl bladder provides ultimate air retention, and nylon windings provide excellent structural integrity

TF 33™

ALL SURFACE BALL

Introducing the TF33 Basketball, our official outdoor basketball for tournaments and 3v3 competitions. Engineered with a high-performance composite cover material, this basketball delivers exceptional grip and control, ensuring you stay at the top of your game. The full ball pebbling enhances handling, while the soft feel provides unmatched comfort during intense play.

Designed specifically for competitive outdoor play, the TF33 Basketball is built to withstand the rigors of the court, making it the perfect choice for serious players looking to dominate their opponents. Elevate your game with the TF33 Basketball and experience the difference in every dribble, pass, and shot.

KEY FEATURES:

- Performance composite cover material
- Exceptional grip
- Designed for competitive play
- Soft feel
- Full ball pebbling

MADE FOR THE GAME™

EXCEL TF500™

ALL SURFACE BALL

The best all-surface ball in the game, the Spalding EXCEL TF500™ is the unofficial ball of pick up games everywhere. Its soft sponge backing and tacky grip feels like Spalding's best indoor balls with the durability of an outdoor one.

Designed with supreme grip, the EXCEL TF500™ sports an all-surface composite cover to maximize performance whether you're on the driveway, at the park, or in the gym. True to its name, this is the ball that will level up your shooting, dribbling, and passing, no matter where you're hooping.

Raise your game anytime, anywhere with the EXCEL TF500™.

KEY FEATURES:

- RAISE YOUR GAME: Sponge backing and tacky feel creates maximum grip and handling
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition, exceptional control, and precise accuracy
- ALL SURFACE PLAY: From the driveway to the gym and everywhere in between

VARSITY TF150™

OUTDOOR BALL

From the driveway to the park and everywhere in between, it's game time!

The Spalding VARSITY TF150's™ all-surface performance rubber construction can stand up to the roughest courts and conditions. It features Spalding Shooter's Seam™ design that helps get your fingers aligned without a thought and provides better ball control during drills, shoot arounds, and games. It ships to your door inflated and ready to go, so you can start putting up threes, crossing over defenders, and driving the lane right out of the box.

The Spalding VARSITY TF150™ is the easiest ball to start writing your basketball story with. Let's ball

KEY FEATURES:

- GRIP IT: All surface performance rubber cover gives the ball a solid grip for control
- SHOOTER'S TOUCH: Spalding Shooter's Seam™ is designed for instant ball recognition.
